#### **Q. A second round 66. Do you feel conditions are favourable for that type of score?**

THOMAS PIETERS: definitely, the greens are smoother than yesterday afternoon obviously. Early on there was no wind but it's still such a tough course that you need to hit golf shots, and I hit a few today but overall the first two days, I scrambled ball well and got up-and-down from everywhere.

#### **Q. What pleased you about your game this morning?**

THOMAS PIETERS: how I just got up-and-down. I got out of position a couple times on the back nine and made par from like 80 yards or long bunker shots. That's the kind of stuff that keeps the round going.

#### **Q. Could you take anything from your performance last week in Italy and this week?**

THOMAS PIETERS: yeah, I've been striking the ball well so that's always good around here. I just needed to find something with my putting and I holed some nice putts. Feel like I've made a couple changes and it paid off these last few days.

#### **Q. Do you feel like a golf course like this suits your game?**

THOMAS PIETERS: yeah, I just love a really tough challenge just mentally.

#### **Q. What's the atmosphere like?**

THOMAS PIETERS: fantastic. Friends and family out, it's a lot of fun.

#### **Q. What's it like to be in the Flagship Event and be in contention in this tournament?**

THOMAS PIETERS: yeah, it's the one we look forward to the whole year and hopefully put in a good performance this weekend.
