A Rolex Series Event

Q. Another superb round of golf around this place that we know you love so much. I think that's the best of your career. Look liked you couldn't miss?

BILLY HORSCHTEL: Yeah, the hole looked like the size of the Atlantic Ocean. I made some long putts, and had some close ones, as well. It was pretty special.

Q. Were you feeding off each other out there today?

BILLY HORSCHTEL: Yeah, I think so. Matteo got off to a really good start. Made a run there in the middle of the round. After my bogey on No. 7, I got started. We were all feeding off each other.

Rory could easily have shot two or three better. He hit some putts there at the end that could easily have gone in.

But yeah, really good round of golf with two really good guys and looks like we're going to be grouped together again tomorrow.

Q. A place that you do love, and you've picked this trophy up before. How much will you look back on some of those memories tonight before you come back tomorrow?

BILLY HORSCHTEL: I look back all the time, especially when I start coming over here. Tonight I'll reminisce a little bit. But I know it's going to be a shootout tomorrow. I don't know how bad the weather is going to be but the leaderboard is tight. No one is running away with it. So you have to come out and play some really good golf to try to hoist this trophy again.
