A Rolex Series Event

Q. What did you do particularly well out there today?

LUDVIG ÅBERG: It was very efficient. I felt like once I got on the greens, I was rolling the putter really nice and tried to be aggressive with the speed. Managed to make a lot of putts, which is nice.

Any time you shoot that kind of score, I think you need to be good on the greens, and that was what it was today.

Q. Your debut here last year, you led into the final round, finished in the top 10. How much were you looking forward to coming back?

LUDVIG ÅBERG: Oh, absolutely. It's one of my favourite events of the year. I think I said that multiple times in the last couple days, and it's really nice to be here. Obviously the golf course is in great shape and the crowds are always amazing. It's a treat to play well here and it's a treat to play well here, as well.

Q. You were out there with Ryder Cup teammate Matt Fitzpatrick, 13-under better-ball between you today that. Looks pretty formidable for a Ryder Cup partnership. Do you fancy playing alongside Matt?

LUDVIG ÅBERG: Yeah, Matt, we get along great. He's a great guy. It's very easy to be around him, and we can chat about all sorts of things that are not even golf related, so that's always nice.

Today was one of them days where we both played pretty well. Hopefully we can do that in New York in a couple weeks' time, too.
