PGA CHAMPIONSHIP

A Rolex Series Event

Q. 66 on day two at Wentworth. Tell us about your round today?

FILIPPO CELLI: It was a really solid round. I'm quite happy, very proud, and first two rounds were solid. My putter is working very good, so I'm very happy because I was struggling a bit. So the working looks like it's starting to pay off. So I'm quite happy.

Q. How wore the conditions for you today compared to yesterday? It was challenging at times yesterday afternoon?

FILIPPO CELLI: Yesterday was Wednesday, but the forecast was different -- also this morning, it was gusting a little bit. So it was some situations were tricky. But we handle it with my caddie really well. I'm very happy.

Q. Feels like you've picked up where you left off in Denmark.

FILIPPO CELLI: It's still very, very long, tough to say now. But yeah, I just try to focus on the present and let's see, try to enjoy the weekend and try to finish my best.

Q. Here at the Flagship Event and with the phenomenal fans, how important is it to get a good result with the amount of points that are on offer?

FILIPPO CELLI: I honestly don't think about that. As I said, I just try to think about the present and play good golf, and then we will see. In this sport, we cannot calculate too much. We just have to go out there and make as many birdies as possible, and we will see on Sunday night.
