Q. In 32, 64 total, not a bogey on the card, good day at the office?

ALEJANDRO DEL REY: Very good. It's also a tough day. It's wind windy and yeah, it's a great day in the office.

Q. Hopefully more ideal conditions when you started. Feels like in the last hour, the wind has picked up and guys in the afternoon might have a tough time. How do you think that current 12-under, leader in the clubhouse is going to stand?

ALEJANDRO DEL REY: We'll see. You never know. This course, you can make a couple putts, get it going and you can go low but at the same time things are not going your way, it's very tough to get. So it depends if someone just feels like getting in the groove of making some birdies, and we'll see, whatever happens, happens.

Q. Speaking of getting in the groove, you've had a nice run of made cuts, seven in a row. This could be eight. Do you feel like things are getting in the groove for yourself?

ALEJANDRO DEL REY: I feel like I've been playing very, very good. A couple things just every week that feel like wasn't clicking the whole way to good events until Sunday. Had some tough weekends. Just told myself to stay patient because everything felt in a very good place and I just needed to give it some time.

Q. You can find yourself teeing off very late tomorrow. How will you spend the rest of the afternoon, I imagine with one eye on the TV?

ALEJANDRO DEL REY: Probably not. Probably not. I don't watch too much after I've done. I've had enough for four hours out here. Might hit a couple balls and then just go rest a little bit and maybe watch a movie.
