Quick Quotes

Q. A 67 and you've made up for quite a lot today. What were your thoughts when you saw you stood on the leaderboard?

DAVIS BRYANT: Obviously very pleased. It was a good day. The front nine, as we've seen the last couple days, has been challenging, and it was probably the windiest it was today of the whole week. So obviously the back nine scorable so I had to be patient on the front, and I shredded the back nine, which is exciting.

Yeah, I mean, my first time at this event. Obviously I had a really good season. Just trying to capitalise and make the most of the opportunity and feed off the crowds. Course is great. People are awesome. So been a blast.

Q. You're no stranger to the DP World Tour, but this is your very first time here at Wentworth. Has it lived up to your expectations?

DAVIS BRYANT: Yeah, every bit. My caddie, Rich, was telling me how excited he was for me to get in the tournament. Obviously getting in and having a good year so far was awesome. Yeah, I was always looking forward to it. I wanted to play in this tournament beginning of the year, and we're off to a good start.

Q. I lost count how many made cuts in a row you've got but long may that continue. Is this just a result of your hard work and resilience?

DAVIS BRYANT: I think it's a mixture of self-belief, confidence. Caddie and I get along really well. Know each other better than we did last year. Getting more comfortable out here. Knowing some of the travel. Having some friends, too, I think it just made my life off the course a little bit more comfortable and enjoyable. I think any time you're in year two of something, you're bound to just be -- have some more success. I think certainly my game is better than it was last year. That's no doubt about it but there's just a lot of factors that have gone into it.

Q. You've concerned yourself a nice line tomorrow

and late tee time and electric crowd. How are you going to prepare for that?

DAVIS BRYANT: Fortunately, I've gotten used to the crowds. I just really enjoy it. This is my dream to play professional golf and showcase my skills, and I'm walking down the fairway and people are shouting my name, "Go get 'em," "Make birdie," stuff like that. It's just exciting and I'll embrace it and see where the cards fall tomorrow.
