### Quick Quotes

#### Q. How would you assess that 64 in the final round?

ANDY SULLIVAN: I felt like the course has been gettable all week. Just haven't been able to cut out the mistakes. Today I felt like it was there, the game was there. Not much wind and you could really get after it, so took advantage.

#### Q. You made up 39 spots today. Did you just feel you wanted to be more aggressive, and as you said, cut all the mistakes?

ANDY SULLIVAN: No, I felt like I've been aggressive all week. I made a lot of birdies. Gave myself a lot of looks. Just like I said, just making a few doubles and singles here and there really killed the momentum.

Made a bogey and an eagle straight after it, and it was straightaway back on the momentum again. Just felt like I had that going all day today but felt all week there was a low one there for me. Probably a lot of people say that every week, but it's always nice to get one on Sunday, especially at Wentworth.

#### Q. I know the wind is not gusting like yesterday. How gettable is the course going to be the rest of the day and where will you stack up?

ANDY SULLIVAN: I'll be happy with a Top 10. I think the scoring will be low.

The greens are quite soft and rolling great. A few guys will go out there and shoot low. You look at a stack of world-class performers, they general don't go backwards. They go forwards.

Happy with my work. It is what it is. Didn't do enough the first three days to get myself in position but happy with the week.

#### Q. Your best performance here until today was tied three back in 2020.

A Rolex Series Event

ANDY SULLIVAN: That was COVID, wasn't it, and wasn't much going on, which was a bit disappointing.

Yeah, I'm happy with it. I've been playing well all year, been playing really nicely. Hopefully press on and try and get this W somewhere along the line at the end.
