Quick Quotes

Q. Does the course suit your eye?

SEPP STRAKA: Yeah, I love it. It's tight off the tee, firm greens, and I think it will be a great test.

Q. You've played most of the time on the PGA Tour in the States. How does this compare to the courses you've played over there?

SEPP STRAKA: Course is pretty similar. It's tight off the tee. High rough and firm greens.

Q. Your second week and second Rolex Series Event. Tell us your plans for the year.

SEPP STRAKA: It's hard to tell right now. I don't really know much about my schedule. Depends on how I play and all that going forward. Up in the air.

Q. The 8th hole is an iconic hole; arguably the most in the Middle East. What were your first impressions teeing up there?

SEPP STRAKA: It was great. I was always watching Rory hit. Thought you could draw more than you actually can. So, yeah, I have to take a little more conservative line. Look forward to playing it in competition.
