## Dan Bradbury

### Press Conference

**Q. 73 yesterday, 63 today, a ten-shot swing. What was the difference?**

DAN BRADBURY: Just putting, really. I felt like I didn't play that bad yesterday. Just didn't hole a thing, like 15-, 20-footers all day just shaving the edge. You're going to make mistakes out here and you're going to hit in the swamp.

**Q. Can you go into the specifics of the putting?**

DAN BRADBURY: I think it's just green reading to be honest. Probably four or five that did the opposite of what we thought, so that's always quite fun but my pace has been pretty good all week and then yeah, today was probably a good putter again which helped. Just momentum, as well. Holed a couple and that was it.

**Q. With this being your rookie year, obviously you had a great start winning the Joburg Open. When you're in this environment, it's a Rolex Series Event, how can you describe your surroundings?**

DAN BRADBURY: Can't really complain, out here playing great golf courses, great fields. It is quite strange, like I was coming down 9, my last hole, Rory is just starting, and can barely see them. So that's quite strange watching that. Had a little taste of it with Jon Rahm in Spain, so a little bit used to it. Everyone's just enjoying themselves and loves it out here.
