Majlis Course at Emirates Golf Club

## Jason Scrivener

### Press Conference

**Q. Yesterday, 67, you had 25 putts and sixth in driving accuracy. Similar strength to your game today?**

JASON SCRIVENER: I think so. I probably drove it better yesterday. Today, I think I played a smart round of golf. When I was out of position, put it back in play and holed some nice putts, as well.

**Q. This is your ninth visit to Hero Dubai Desert Classic. Some good results in the past, top seven a couple of times. Is this a tournament and a course that you look forward to coming back to?**

JASON SCRIVENER: I love it here. I've had mixed results. Yeah, I think it's a course that suits me. I'm generally a straight driver, and if I can roll a few putts in, really does suit me.

**Q. We saw what you were capable of back in 2021. You finished 21st in The Race to Dubai and obviously a lot of good finishes, second and third. Last year, not as good. Have you done anything over the break to get back to where you were to start moving forward?**

JASON SCRIVENER: It was a nice reset, really. Last year I got sick a couple of times. Two kids probably. Changed life a little bit, as well.

So it's been nice to step away from the game a little bit. But now I'm kind of re-invented myself in a way and enthusiastic to improve and get back to where I was.
