## Adam Bresnu

### Press Conference

A Rolex Series Event

**Q. This has been quite a big week for you so far. You've played in a few professional events as an amateur. Fair to say this is the biggest?**

ADAM BRESNU: Definitely I played a few Asian Tour, and Rolex Series, even bigger. It's great to be here and make the cut. It's like a dream. When I was a kid, I was looking at Adam Scott when he won the Masters. I was looking at that and now I just played with him. It was really nice.

**Q. I saw you playing a practice round with Jon Rahm, also a major winner and Tyrrell Hatton, and Adam gave you some words of advice as you?**

ADAM BRESNU: Yeah, I played a practice round with Jon Rahm. It was nice, I remember I was looking in the practice round, and I was like, all right, who is playing. I saw the last tee times, Jon Rahm and I was like, oh, I'm going to play with him. He's a nice guy. He gave me a few tips and same with Adam Scott. I think I have the potential. All I need now is just confidence, learn, and what they did, Adam Scott and Jon Rahm, they did it, they gave it to me. So now I think it's only a question of practise and time.

**Q. Are we allowed to ask you what Adam said after you walked off 18 or is that for the two of you?**

ADAM BRESNU: Well, he said, "Keep it up, Man. You played well. You have a place here. Just practise and you'll be here."

**Q. You're now playing collegiate golf at Texas Tech. What do you say to your teammates?**

ADAM BRESNU: I'm not at Texas Tech yet. I went to junior college. I think they are happy for me. I mean, hope so. If not, I'll be mad. For sure I want to come back but I love Dubai. I like this place. It's safe here. It's pretty awesome.

**Q. Every amateur golfer, especially the aspiring professional ones, will be very curious in their life how their golf game stacks up against some of the best in**

**the world. You've got that opportunity. You must take a lot of comfort in how you've played so far this week.**

ADAM BRESNU: Definitely. As I say, I have the potential. Now I will finish college and after I finish college, I know I will be on tour for sure. Which one, I don't know yet. DP World Tour would be nice. Yeah, it's really nice to be here.

**Q. You're the first Arab-born golfer to make a cut at a Rolex Series Event. I don't know if you're aware you made history this week.**

ADAM BRESNU: Yeah, that was one of my goal. I just wanted to make history. I made it a month ago in Saudi Arabia when I finished sixth in the PIF Saudi international. Making the cut here is a big thing. Yesterday I had so many calls. I was like, please leave me alone, I want to sleep. But that was nice, and it's nice -- my goal is just to show the world that Arab players, we have the potential and we have the talent. Now it's only a question of time. I'm sure you'll have kids playing on the tour for sure. I'm really happy what I did, and also for the next generation.
