Quick Quotes

Q. 8-under through 36 holes currently hold the lead.

Tell us about the last six holes.

DARREN CLARKE: Yeah, couple birdies on the first three holes and made some poor swings, and last few, hanging in there and make something good swings, and just made good swings all the way coming in and kept giving myself opportunities. Pleased that I finished on 8-under because the wind was swirling about a little bit.

Q. You've won The Open, how much would it mean to you to do the double and win the senior?

DARREN CLARKE: It would be huge. But you know, we're all long enough in the tooth to know this is only two rounds and a lot of golf to be played yet. I would love to have this trophy sitting behind the Claret Jug. Got to go work on some iron play, my iron play wasn't there especially around the front nine today but other than that drove the ball well. Really in the mix come Sunday afternoon and would love to improve.
