Quick Quotes

Q. Starting week having not walked four rounds of golf in a year, didn't know you could, finished in the top three, how pleased with your day's work?

PAUL BROADHURST: Obviously delighted. Genuinely I didn't really know what to expect this week. I tested it out on Monday. It's painful but you know, I had a few days to rest it. So yeah, we got around this afternoon. Last six was a bit of a struggle. Running on empty, I think.

Certainly the first day it was painful. The middle two days, it wasn't so bad. But you know, played solid. Got off to a great start. Like I said, played the front nine much better but I think driving it in the trap at 12 is the killer, really. I struggled to make five. I needed a birdie, really. Didn't really hit it that close. One at 15, I hit it close but I lost the pace of the green this afternoon. A little bit tentative, leaving everything a foot and a half short.

I had a bit of a run at it on 12 and hit it six feet by and made it coming back. Obviously K.J. has played really well around the back. I don't know what happened but he went from nowhere to four clear. He's obviously killed it somewhere around the mid part of the round.

So great stuff to him. He's played really well. I know he had a couple of poor holes to finish yesterday having been well ahead but he deserves it.
