**Q. Back here in Sunningdale for this year's Senior Open, give us your thoughts coming into the week.**

DARREN CLARKE: Yeah, had a nice week last week at Royal Portrush for the The Open Championship. Didn't play the way I wanted.

But I used to live here. I used to play a lot of golf at Sunningdale. Live just a couple minutes away. I'm staying at the other course I'm a member of called Queenwood which is very nice. I've got best of both worlds. But any chance you come and play Sunningdale is always wonderful.

**Q. On the back of Royal Portrush, I know you would have liked to make the cut, but it must have been a rejuvenating week for you?**

DARREN CLARKE: It was nice. It was busy the whole week. It was very well received by both the players and the fans. They really enjoyed it.

We had a little bit of dodgy weather, not as much as I would have liked, but it was a really good week. Disappointed I didn't play a little bit better, but hopefully I can play a little bit better this week.

**Q. How is the course looking? Obviously you had a great run here in 2021.**

DARREN CLARKE: Yeah, the course is wonderful. Not quite as fiery as it was then. Fairways are a little bit softer. Greens are a little bit softer right now. But if it dries out a little bit, I'm sure we'll get that little bit more fiery that I'm more used to Sunningdale playing like.

**Q. You won't get quite the crowds you did last week in Northern Ireland but you should have a good following today:**

DARREN CLARKE: Yeah, last time we were here we had big crowds. I hope people come out and watch us all this week and we'll get a really good atmosphere going again.

... when all is said, we're done.®
