**Q. In Sunningdale for a Senior Open championship on the back of two very big weeks as well. How are you feeling?**

PADRAIG HARRINGTON: Yeah, I feel good. Yeah, what's not to feel good about here in Sunningdale. It's beautiful. Fantastic course. The weather is very nice at the moment.

Everything is to look forward.

**Q. How was The Open Championship, 153rd, in Northern Ireland? I would imagine felt like a homecoming as well for you.**

PADRAIG HARRINGTON: It was a great week for me. Obviously hitting the opening tee shot was very special; great memory.

Yeah, you know, being in Ireland is so exciting. The crowds were fantastic. I think the golf course was fantastic. The players really love it.

You know, great winner. Mightn't have been the most exciting finish in golf, but it was a great winner. So all in all, a great week.

**Q. Here at the Senior Open, a tournament which you've not ever fallen out of the Top 5, I imagine your time is very soon.**

PADRAIG HARRINGTON: Yeah, you know, I'm in a good place to compete for sure. You know, coming down here I wasn't too sure how well this course would suit me. I know it's a great course, but it can get very fiery. It's in the fiery at the moment.

So right now I'm very happy. I'm happy with the lot we've got in front of us. I would like it to stay that way for the week. It's a little green around the greens which is quite nice.
