Quick Quotes

Q. Obviously a very big week in anybody's calendar, the Senior Open is here and at Sunningdale. Tell us how you're feeling about the week ahead.

MIGUEL ANGEL JIMÉNEZ: I feel good. Have a week off last week but I need to rest because of the rest of the season we have this year, recover a little bit of energy and coming here to Sunningdale, play yesterday the Pro-Am, and today I have a nice match with Olazábal and Canonica, and we enjoy very, very much.

The golf course looks stunning, as always. Not as far as four, five years ago. But, well, we will see what is going to happen this weekend. I feel good. Golf course is nice and very, very pleased to be here.

Q. 2021 was obviously not the best but a pretty good week, a runner-up finish here.

MIGUEL ANGEL JIMÉNEZ: Yeah, I missed a short putt here on this hole, and Stephen Dodd, he holed more or less the same putt that I have. He holed and I miss and that's golf.

It was very nice match in 2021 and I hope this week to be in the same position. We'll see.

Q. Watching you on 18, looks like you were having a lot of fun with your fellow countrymen in the practise round but where is the game at the moment?

MIGUEL ANGEL JIMÉNEZ: My game is good. All year I've played very well. I have four victories, this year and I'm really looking forward to the last major tournament of the year.
