Quick Quotes

Q. 3-under 67. How do you feel about your day's work?

K.J. CHOI: Couple shot miss in the driver in the deep bunkers, couple three-putt. Happy round because energy is good in the putter.

But sometimes is a little bad read. Some break and then run. Still swing comfortable and golf course is fantastic and good setup for me.

Q. How much are you looking forward to the weekend and an opportunity to defend the title you won last year?

K.J. CHOI: Yeah, I'm still very nervous and very exciting. Very good player stronger, more stronger every year. So my game is every day new game, new start, patience, pray a lot. So my heart is a little stable, right? Not up and down. Just keep going, keep going every hole.
