Quick Quotes

Q. 67 today. Can you just talk me through how you felt out there?

ALFREDO GARCIA-HEREDIA: Fantastic. I've been playing well, I would say the last month, last couple months. I always love coming here and play. I love the course, the crowds, and just when your swing is good, your putting is good and you have good vibes, it's like a flow. I don't know how to say, like yeah, it flows.

Q. And what about this course suits your game, do you think?

ALFREDO GARCIA-HEREDIA: I think. So I think so because especially the tee shots are kind of left-to-right and I think that's good for me from the tee, and the greens are small.

I'm a really good iron player. So I think that suits me very well, and the results are there.

Q. How special is it to play in Spain, in Madrid? How have the fans been?

ALFREDO GARCIA-HEREDIA: For me, playing in Spain, I love it. I love it anywhere. I don't mind if it's the Spanish Open or Challenge Tour, Madrid, Seville. I just like playing in Spain, and this tournament I think is the best event for me by far.

Q. And is there anything in particular you'll do over the weekend to work on?

ALFREDO GARCIA-HEREDIA: No, not really. Probably same things I've been doing. Going out, have dinner in Madrid, lovely food. The weather has been fantastic. Just enjoy the weekend in Madrid.
