### Quick Quotes

#### **Q. What are your thoughts on Angel Hidalgo winning here in Spain?**

JON RAHM: May he enjoy it. Winning at home, winning a Spanish Open with all the support that there has been. You could tell how much he felt it and how important it was for him. May he learn from these moments and enjoy them.

#### **Q. What are you feelings on the week overall?**

JON RAHM: Thinking that on Tuesday morning I was still in the hospital in another country, on the other side of the Atlantic, in the end, I'm happy. It's a pity to have lost in the playoff and not have been able to do better today.

I can't say it has been a bad week. I gave myself a chance to win, which is what I wanted.

I gave it my all until the end, and I'm proud of myself.

#### **Q. What does a week like this do for golf in Spain?**

JON RAHM: What happened today helps. Having a final like this, no matter who wins, helps those kids who were watching here or on TV to want to try playing golf to experience moments like today's.
