## Siwoo Kim

### Quick Quotes

**Q. The back nine was so much stronger than the front nine. What changed for you?**

SIWOO KIM: It was a little struggling front nine, but more than I think a little bit of pressure on the tee, on the first tee, so that's why the ball goes a lot left on the front nine like three, four times. The back nine I just tried to do my thing and then came out birdied number 10, so I'm more thinking more positive thinking and then more momentum, so that's why I'm playing better I think on the back nine.

**Q. How is the golf course playing?**

SIWOO KIM: Golf course is great. The fairway and then the greens are in really good condition, so if I stroke the putt well everything is going in.

**Q. How has the first Olympic experience been for you guys?**

SIWOO KIM: It was great experience for me, so I always watching other sports in Olympics and all the medals for the Korean players, so I hope I can get a medal, so, yeah, it's a good experience for me.
