## Collin Morikawa

### Quick Quotes

#### **Q. Could you just give me a couple general comments?**

COLLIN MORIKAWA: Yeah, obviously having an eagle and quite a few birdies, I think I might have totalled my total birdies for the week. Positive things to come, but just made a few too many bogeys. And had that, obviously, out of bounds shot on 8, a little unfortunate, especially on a par-5 that guys are taking it deep. So I know I can make birdies out here, especially if I put it in the fairway, we have seen glimpses of certain nines, I just got to put it on all the holes tomorrow.
