Quick Quotes

Q. Can you give me a general comment about the round?

JUSTIN THOMAS: Yeah, I mean just another kind of frustrating day. I had the opportunity to shoot a pretty low score and at least have a chance to maybe shoot 8 or 9-under and maybe medal tomorrow, but yeah, just kind of more of the same.

Q. What's on your mind for tomorrow? Still think you got a shot?

JUSTIN THOMAS: No. I mean I probably -- I shouldn't say I don't have a shot, I'll have to shoot something in the 50s, but, no, the damage has already been done.
