### Quick Quotes

DEAN BURMESTER: That's the game of golf. That's how it works sometimes. It wasn't my day, unfortunately, but it was there for the taking. Only 12-under won. You're telling me I had to shoot 4-under to win; I would have backed myself to do that, but unfortunately, it wasn't my day, so we'll try again next week. That's the game of golf.
