**MEXICO CITY**

THE MODERATOR: Let's welcome Carlos Ortiz back to the media center from Torque GC, our hometown hero from Mexico. Carlos, you fired off a 3-under today. You're currently sitting at T8, six shots off the lead. Tell us a little bit about your round.

CARLOS ORTIZ: Overall pretty good round. I think I played pretty good. Slowed down during the middle but I finished strong. Overall pretty happy.

**Q. Is it feasible to catch up tomorrow or are you mostly focused on getting Torque to the top of the leaderboard?**

CARLOS ORTIZ: Honestly, I try to play my best every day. It's nice when you're close because you always have a chance. But it's nice that we have at least with the team. Six back, it depends on the leaders. When you're that far back, I can shoot a good round, but if they play good, it's pretty much impossible to catch.

**Q. How special would it be for you to stand up next to your best friends on that podium for Torque GC in Mexico tomorrow?**

CARLOS ORTIZ: I mean, it would be awesome. I still haven't won with Torque, so it would be really special to win tomorrow with them.
