Press Conference

THE MODERATOR: Let's welcome the winner of LIV Golf Mexico City 2025, the captain of Torque GC, Mr. Joaquin Niemann. You fired off a 16-under to win the tournament by three shots. It was a bit of a battle out there today. Tell us a little bit about your day and reflecting on this win.

JOAQUÍN NIEMANN: Yeah, it was a good battle. Starting off the day, I knew I needed to obviously do something special, having Bryson three shots ahead and the way he's been playing, also Cam with the really good first two rounds and the caliber of a player he is.

Today was a really exciting Sunday for me to be out there with them in the last group, especially in Mexico, and I kind of felt like I was fitting in pretty well with the crowd. They were giving me a lot of energy at the beginning of the round, pulling for me, and I was able to play well, make a few great bunker shots, something that I've been working on a lot lately, and I feel like that short game is kind of coming up and helping me have those better rounds when the game is not as good, and I can still be able to shoot low.

It's special to have the short game on my back, and yeah, it was a tough day at the end. I was able to hit great shots and finish on 18 with a little bit of style, too, having the crowds in the background. It was special.

**Q. Somebody told me that this is the first time your mother has ever seen you win in person; is that true?**

JOAQUÍN NIEMANN: Yeah, it is true. As a professional on my tour, she hadn't seen me win on the PGA TOUR and not here, either, so yeah, it's pretty special.

**Q. This is your third win this season. Can you be stopped?**

JOAQUÍN NIEMANN: Hopefully not. (Smiling).

**Q. Now you're in the U.S. Open so you'll be playing all**

# **MEXICO CITY**

**three of the rest of the majors this year. How gratifying is that, and how much do you want to make a splash during the major season the rest of this year?**

JOAQUÍN NIEMANN: Yeah, I was actually -- my team was asking me to sign up for the qualifier and the sectional, and I wasn't really into that, so more than anything I'm grateful that I'm not playing 36 holes on a Monday after a tournament. Yeah, I'm pretty happy.

**Q. This is your fifth win. You and Brooks now have the most wins in LIV Golf history. You've obviously carved out quite a career since joining LIV Golf. Can you talk about that, about the success you've had, not just today, not just this season but really since you've been here?**

JOAQUÍN NIEMANN: Yeah, I mean, it's special to be up there with Brooks as most wins. I mean, it's just been three years since I joined here on LIV, and I feel like it's a special place right now for me to be here and I can become the most winner on the league. Yeah, it's something that I'm looking forward to that, and I'm going to work hard for that.

**Q. I want to ask you about, you got a pretty good break on 16. That was certainly a decisive stretch. Can you talk about that stretch and maybe that break?**

JOAQUÍN NIEMANN: Yeah, obviously after Bryson hit that driver OB on the right on 13, I hit a great driver there, and I was able to take some advantage. On the next hole, on the par-3, I did a really bad three-putt there. I misjudged that green the whole week. That green was -- I don't know what happened with that green, but it was doing the opposite that I was thinking it was doing every day.

But after that, I hit good shots. Like you said, I got lucky on 16. I had a 9-iron, and my caddie told me to aim left of the pin, and I was trying to do that and I just pushed it a little bit. He told me there were going to be trees there, but worst case scenario it was going to be in that bunker. Still a good chance to make up-and-down. I just started hearing a lot of claps from the crowd going crazy, and I realized a little bit of luck is never bad.

**Q. Sundays have been very good for you.**

 . . . when all is said, we're done.®

JOAQUÍN NIEMANN: Yeah, it's been great.
