Quick Quotes

PRESENTED BY

DUSTIN JOHNSON: It was okay. Drove it nicely, gave myself some good opportunities. Speed was a little off. I had a good looking birdie there and ran it eight feet by, so not great.

72 yards on the hole before, hit it just over. Got to give myself a few more opportunities, but I'm driving it good. That's what you've got to do around here. If I can keep it going over the weekend, I'll put myself in nice position.

Q. Is this the sort of setup you want heading into Oakmont, a tough course?

DUSTIN JOHNSON: Getting ready for Oakmont, this is a pretty good preparation just because you have to drive it really straight here and the fairways are narrow, and it's penal if you miss them.

Yeah, it's definitely good preparation.

Q. You won there last time anyway. Good playing. See you tomorrow.
