Quick Quotes

**Q. Was there any extra inspiration today with this being the 15th anniversary of Seve's passing?**

SERGIO GARCIA: Definitely there was a little bit of extra inspiration thinking about Seve and wearing his favorite colors, blue, navy blue pants and white shirt and wearing his logo on our colors.

It was very nice, and I'm actually very glad, very happy that I was able to put in a good round for him.

**Q. Did you notice any other players, and did that also kind of bring some good memories back while you were playing?**

SERGIO GARCIA: Yeah, there were -- I think there were probably about 12 of us that were wearing navy blue and white shirt. Torque was wearing that. I know that Jon was also doing it in that respect. Then 4Aces were also wearing it. I don't know if it was on purpose or not, but it was nice to see at least 12 of us doing it.
