Quick Quotes

Q. Sergio, great playing today. Tee times brought forward an hour, obviously under 24 hours. How differently did the golf course play today than to yesterday?

SERGIO GARCIA: Yeah, definitely you could see it was obviously windier, and the greens decided to firm up quite a bit. You had to take all those things into account.

It's a big golf course, so I'm very, very proud of the way I handled it obviously.

Q. Obviously your strategy, you're only five back heading into the weekend, and there's a lot of golf to play. What's the strategy moving back into the weekend?

SERGIO GARCIA: Just trying to do more of the same, commit as much as I can to my shots. Obviously there were a couple here and there today that I lacked a little commitment. Yesterday I was a little bit better.

I've been working the last -- well, a whole year, but mainly the last couple of weeks. I'm feeling like my game is definitely improving, which is good. It feels better, which is very, very important. I've just got to keep building on that feeling.
