Quick Quotes-2

Q. The group you played with today are the top three scorers of the season. How did that change the vibe of the group, the competitiveness playing throughout the day?

BRYSON DECHAMBEAU: We all started off with a bang, so just getting off to a hot start on the 2nd hole, Jon and I eagled, and Thomas almost made an eagle as well, all of us birdieing the 3rd hole, and then Thomas birdieing the 4th hole was quite crazy of a start, and I birdied the 5th hole. They both birdied the 6th hole. It was just birdies everywhere all day long.

It was fun being in a group that was being aggressive, and we were all hitting it really well.

Q. What are you thinking heading into the final round tomorrow and looking to catch Lucas?

BRYSON DECHAMBEAU: It's seven shots, right? Look, there's always an opportunity. You've got to hopefully have him mess up and make a couple bogeys and us get off to a hot start and narrow that gap.
