Quick Quotes

Q. Lots of highlights today, including two eagles. How would you sum up the round?

SCOTT VINCENT: Amazing. Yeah, just amazing. I don't know if I've ever got two eagles in a row. I think this is my lowest score on LIV. This is just an amazing day.

Q. What has it been like to play for the HyFlyers? In the last two events, you've made quite the contribution.

SCOTT VINCENT: I think anyone who gets pulled into a team just wants to really help them out. I think these two weeks so far have been my two best weeks of the season. So, yeah, it's been really cool timing for that transition into the team, and I'm just on a personal note, just happy to help out as much as I can.

Q. Still several shots behind Lucas. What's the outlook going into tomorrow?

SCOTT VINCENT: Just to go and enjoy the goodness of tomorrow. I think it's -- we've had three tremendous days, and I think tomorrow is supposed to be great too. Just trying to enjoy each day as it comes and hopefully hit some good shots.
