Quick Quotes

## JEDDAH 2024

**Q. Obviously at one point I think I saw you guys were up by 10, but the Crushers were --**

LOUIS OOSTHUIZEN: 20-under, the conditions today, they way they played, you can't do anything against that. It was tough. It was really tough.

I think a good team score today I would have said would probably be 10. To shoot 20-under like they did, there's not much you can do against that.

**Q. How much did you look at the team score?**

LOUIS OOSTHUIZEN: All the time, but they came from nowhere. All of a sudden they jumped like three, and then all of a sudden we were four behind.

CHARL SCHWARTZEL: The biggest thing with the team thing is you look at it, and it could change by three or four shots. It's not like a single shot like individual with so many guys counting.

**Q. Overall, though, you take second and third individually; it's a good week.**

LOUIS OOSTHUIZEN: We played well. Team did well, second. Our first top 3 for the season. Hopefully we can build on this and get a win somewhere. All four of us are playing pretty good.
