TV Quick Quotes

**Q. Sebastian, a really solid round considering the conditions out there that switched so drastically the middle of this round. How tough was it for you to stay patient and make the adjustments the way you did?**

SEBASTIAN MUÑOZ: I think I did a really good job of staying patient. Of course the wind picked up big time, and we just picked big targets and tried to hold on. There were some tough pins that we couldn't really go for it, and hitting the fairway was a premium, which I sometimes did. It worked all right.

**Q. You came in tied second here last year, obviously like this golf course. What carries for you through from last year to this year on this golf course?**

SEBASTIAN MUÑOZ: Yeah, I feel like I feel really comfortable on the greens. I feel like even though they're a little bit slow and a little bit more humid at night, I feel like I'm able to hit the right speed a lot of the time, which it helps making a lot of putts. I feel like if I can just give myself more chances, I'll have a good chance.
