Q. Pete, I've had the privilege of watching you play quite a bit of golf in the last few years, and I know how dangerous you can be when you find those fairways, which you have found with that mini-driver and that fairway finder. How much confidence does that give you standing on the tee box?

PETER UIHLEIN: Yeah, it's good. Did I hit fairways today? Go me. No, it was good. I drove it nice. Felt my driver was pretty good and mini-driver was good. Putted nicely. Yeah, it was a good solid day.

Q. You've come really close to getting your first LIV win. I know 18 holes is a lot of golf. What's it going to take mentally for you to cross that line tomorrow?

PETER UIHLEIN: Yeah, the weather, I think, is supposed to be a little bit calmer. I don't think there's going to be as much wind, so you're going to have to shoot low. There's a lot of good players right close by. Didn't really separate today like you'd think it would. You'd think you shoot 5-, 6-under or so and you'd separate, but didn't really seem to happen today. Everyone was going low.

Tomorrow will probably be the same, so you're going to have to make a lot of putts, make a lot of birdies.
