TV Quick Quotes

Q. Elvis, what were your expectations coming in here this week against this field of competition?

ELVIS SMYLIE: Yeah, obviously my expectations were high on myself. It's a different environment playing at night. You're playing at a little bit of altitude, as well. Beach, my caddie, he's caddied a little bit here, as well, so just relying on him to kind of help navigate me around here.

Q. What will the self-talk be like tonight as you're tied for the lead on the eve of winning your first ever event in LIV Golf?

ELVIS SMYLIE: Yeah, it will be just keep doing what I'm doing. Obviously I'm in a great position to come out and win tomorrow, and that's why I practice the way I do and work hard. Yeah, I'm feeling great. I feel really comfortable. I felt like I was in total control of my game there today, and hope to do the same tomorrow.

Q. Your parents named you after Elvis, you dad a big Elvis fan. I've got to ask you, what song are you going to listen to to put your mind right?

ELVIS SMYLIE: I had "A Little Less Conversation" going on on the first tee last night, so I'll probably go with that again tomorrow.
