TV Quick Quotes

**Q. Bryson, this is a golf course that's definitely gettable for especially someone like you but it's also one that requires a lot of attention. With the trickier conditions today with the wind and the firmness, how tough was it to pay attention to every single shot and stay patient?**

BRYSON DeCHAMBEAU: Yeah, it definitely tested my patience out there today. I felt like I was running away with it a little bit, and obviously there's two more days, but I want to get out ahead of the pack, and being 6-under through 13 and going into that hole and getting a gust of wind popping out of nowhere and plugging in the bunker, that just totally derails you. I felt like the last few holes after that -- I made a great putt for bogey, but I was scrambling all day, and that's something that you just can't do if you're trying to win a golf tournament.

**Q. Speaking of two days of golf, you're chasing a man named Jon Rahm heading into the weekend. You've played a lot of golf with him. What do you think it's going to take over the weekend and what do you need to do?**

BRYSON DeCHAMBEAU: I've just got to hit the ball better than him and make some more putts. Again, I'm making a lot of putts. It's more about just hitting the wedges close and getting up-and-down. If I just keep playing the same golf I'm playing, I hope things fall the right way for me.

**Q. The crowds were fantastic today. I know how much you embrace the crowd. It's going to be bonkers tomorrow. How much of that are you going to feed off the crowd?**

BRYSON DeCHAMBEAU: I hope I feed off all of it. That's the goal. I love them out here. I love Australia. Australians are amazing. They're a rowdy bunch. Got to love them. Can't wait for tomorrow.
