TV Quick Quotes

Q. AK, a lot of people back home in the States lost a lot of sleep tonight. Very few of them, if any, thought this was possible except for you. How were you able to maintain that belief?

ANTHONY KIM: My family. I don't really know what to say right now. It's been overwhelming. But I'm never not going to fight for my family.

God gave me a talent. I was able to produce some good golf today. I knew it was coming. Nobody else has to believe in me but me, and for anybody that's struggling, you can get through anything.

Q. Your primary motivation for this comeback in golf and in life has been your daughter Bella, your wife Emily. You wanted to prove to her through hard work anything is possible and now prove to her her daddy is a winner. What are these emotions like?

ANTHONY KIM: I don't really know how to put it into words. I knew this was going to happen, but for it actually happen is pretty insane. I just want to thank all the people that have supported me, including you, who when I was not playing well and I was struggling on the verge of never coming back to LIV, always supported me. Thank you to everyone that's been in my corner. I'm going to keep doing it.

Q. Speaking of support, this crowd adopted you like I've never seen in a professional golf event before. How much did their spirit fuel you on?

ANTHONY KIM: I didn't get tired today. I had trouble getting in here with visa issues, but hopefully with the love they've shown, I can get back in here a little easier now.
