TV Quick Quotes

**fairy-tale sports stories unfold in front of us right here, what do you have to say about Anthony Kim coming back 16 years later in a victory?**

**Q. I am standing next to a very happy captain of Ripper Golf Club, Cam Smith. This is the second time you've won here at Adelaide, and not only that, but it's back-to-back victories on your homeland. How does that feel?**

CAM SMITH: Yeah, unreal. So good. We had a training camp before season, and this was our goal. This was our goal, to win this event, and we did it.

It's pretty special when you tick off a goal this early in the season.

**Q. You guys said you were just trying to get that 1 percent. How does that feel in terms of being a part of this team and really leading the way for LIV Golf and being one of the forefront teams that are getting that 1 percent better every single week?**

MARC LEISHMAN: Yeah, like you said, just trying to get better. I think evolving as a team and as a league, I feel like we're getting better as a team. We've connected really well and our games are moving in the right direction. The league is doing the same thing.

It's exciting times for Ripper GC and LIV Golf at the moment.

**Q. Elvis, could you have imagined in your wildest dreams you would have this start?**

ELVIS SMYLIE: Best two weeks in the world. I'm still dreaming. It's such a cool feeling doing it with these guys. It's going to be insane tonight, the celebrations. I can't wait.

**Q. You've set a really high bar. I wouldn't get against you guys to not maintain. Watching one of the great**

CAM SMITH: It's so good. If it wasn't one of us this week, to have him win here in Adelaide at our premier event is pretty cool. I'm so happy for him. He's worked hard. I actually played with Anthony his first round back in Saudi a few years ago, and it was scrappy to say the least, and I was very skeptical at the start. But what he's been able to do over the past couple of seasons and dig deep and grind out and then do what he did today is pretty special.

Congrats to him. I'm so happy for him.
