Fireballs GC Sergio Garcia

Quick Quotes

SERGIO GARCIA: Well, even though with the miss that I had coming in, we still managed to win, so that shows you the quality of players that I have in my team. Super proud of them. Obviously I wasn't feeling great this week, and that kind of hurt me a little bit mentally on the key moments like today coming in.

But obviously super proud of the way they played and what we've been able to achieve. First team to win three in a row, so that's pretty cool.

Q. You started the day eight back, and by nine holes you were leading by one and obviously now you won by three. Did you have that mindset of coming out aggressive, make as many birdies as you can?

SERGIO GARCIA: Well, we just wanted to go out and play as well as we could, like we've been doing pretty much every Sunday, pretty much every week but every Sunday has been pretty solid. We were looking forward to that, and I think we were all doing a great job. Obviously it's great to see, and I wish I could have finished a little better, but that's the way it goes.
