Q. Joaco, your fourth LIV win, second of the year in dominant fashion. How good does this feel?

JOAQUIN NIEMANN: Yeah, today was one of those days, everything went my way. I hit it amazing. I felt like I stayed really in the moment on those tough shots, those tough tee shots. Like at the beginning of the round I was able to get it going quick, so that helped me to build that momentum and feel free for the whole round.

Q. You had an incredible year last year. Do you feel you've improved as a golfer from last year?

JOAQUIN NIEMANN: Well, more than improved. I feel like I'm just a different player. I feel like I've got an extra year of experience playing against the best players in the world, and I'm winning quite a lot in the last year. Yeah, I feel like a different player.

Q. I heard at the start of the week a little three-year-old fan brought you a bracelet and you were wearing it; she brought you good luck?

JOAQUIN NIEMANN: I think she did, yeah, so thank you to her. Yeah, thank you.

Q. Three to four weeks before the first major. What are your preparations going to be from now until then?

JOAQUIN NIEMANN: I mean, just keep doing the same stuff. Masters, obviously is just the first major of the year. It's just another golf tournament. Just going to work hard these next two weeks and try and be as ready as I can be.
