TV Quick Quotes

Q. Dustin, that's back-to-back victories for the 4Aces. How does that feel?

FastScripts by ASAP Sports

DUSTIN JOHNSON: It feels good, especially since obviously all four of us are playing nicely. We knew coming into it, if we all four play well, we're going to be a very tough team to beat. We all four played pretty solid, especially TP today, he played really well. Had a nice finish. Detry played pretty solid. I'm not sure what AK shot but I think he played pretty well.

Obviously this is a tough golf course, tough conditions, kind of starting and stopping. The guys held in there pretty nicely, and yeah, got another win.

Q. We see how well you've been gelling on the golf course, and obviously you've been playing world-class golf the last two weeks, but tell us how are you guys gelling off the golf course?

DUSTIN JOHNSON: It's very easy. All the guys, they work hard. We all get along very well and no drama. It's been quite pleasant this year so far.

Q. I can't imagine any team that you're a captain of having drama.

DUSTIN JOHNSON: Well, not necessarily drama, but with Harold and P-Reed there was always something going on. But we get along very well, we're having a lot of fun, obviously we're playing well, too. Very happy with the team.

Q. A celebratory dinner this evening?

DUSTIN JOHNSON: Maybe for some of the guys. I think I'll be getting on a plane going straight to South Africa.

Q. Maybe three in a row?

DUSTIN JOHNSON: Hopefully. That's the plan.

ASAP . . . when all is said, we're done.®
