Quick Quotes

**Q. You guys won the individual as well as the team. How proud are you of your boys right now?**

SERGIO GARCIA: So proud, every single one of them. I know that Luis is probably a little bit disappointed after the way he started the tournament, but he knows how much we believe in him, and he came up big with that birdie on 10, on his last hole, to give me the chance of two-putting this easy 55-footer down the hill. That means a lot, and I'm super proud of all of them.

**Q. Abe, you had a great weekend. How much memories are coming back to you on the 18th, all the celebration now watching your captain Sergio lifting the trophy?**

ABRAHAM ANCER: Well, after seeing him obviously play in the last tournaments and pretty much all year I knew he was in cruise control for this week. Yeah, we have great vibes. I personally have great vibes with this tournament.

On 18 I made birdie today. I needed to get something going. 18 I hit a great shot and made the putt for birdie and I made some birdies coming in, which was nice, and I knew we needed to make some birdies to get the W. So it was really cool. Then for Luis to make that birdie, as well, was pretty sweet.

**Q. It was pretty mental for all of us in the booth as well as on the golf course to try and keep up with what was going on with the score. How much were you watching the leaderboard? How aware were you of what was going on?**

DAVID PUIG: Yeah, I was watching the leaderboard. I had a pretty decent week myself, and obviously looking at

that a little bit, too, but the team competition was the important part for me today. I think I did a good job personally and all the guys played really good, so super happy to get that the second week in a row.

**Q. How are you guys going to celebrate tonight?**

LUIS MASAVEU: Sergio is going to choose. We're going soon and then we'll see what happens.

**Q. Did you know, Luis, that you had to make that birdie on the 10th?**

LUIS MASAVEU: Yeah, I had the scoreboard so I knew I had to make birdie. Very happy to be able to make that putt because I screwed up a little bit on the back nine. So a little bit relieved. I'm very happy for the team.
