Quick Quotes

**Q. Looks like it's going to be your first top 5 since 2024. How is the overall state of your game?**

MATT WOLFF: Yeah, it's good. Golf is a crazy game. Felt like last year I struggled a lot, and this year feels a little bit better. Just got to keep on staying on top of things. But I was pretty happy with how I played this week.

**Q. Yesterday round 3 kind of got off to a rough start and you brought it back together really nicely, played great on the back nine to finish strong. Is that a testament to where your form is, that you're able to rebound?**

MATT WOLFF: Yeah, I think when you play bad enough for long enough, you start to realize that you can't put too much focus on it. You've just got to pay attention to the good. I knew I couldn't do anything about the past couple bad putts and stuff that I missed, just got to keep plugging away, which I was happy I did. I've gotten a lot stronger mentally, which has been nice.
