Q. DJ, congratulations. 4Aces back on the winning podium. I hate to rub it in, but it's 973 days since your last team win, but I think this makes it that much sweeter. How does it feel to be back on the top?

DUSTIN JOHNSON: It feels good. Obviously winning as a team is huge. Obviously finished third the first couple weeks, which is good showings. Winning this week, yeah, it's big, and obviously it has been a while since we've won. So yeah, it feels really good.

Obviously I'm still not playing up to my caliber that I feel like I should be. It's very close. But the team is playing great. I think we've got four really good players, so I think we're going to be a tough team to beat all year.

Yeah, very excited for the team. Obviously Thomas and Thomas both played very well this week, and me and AK played solid, so we got a team win.

Q. You teed it up with AK today. What are your thoughts on his game and the condition of his game and what can we look forward to for the rest of the season?

DUSTIN JOHNSON: Yeah, I think you're going to continue to see good play out of him. He's playing really solid. He's doing everything really well. I think it's just going to keep getting better. Obviously what he did in Australia was very impressive and really cool to see. I think his game is back, and he's going to continue to work hard and get better, and so am I.

Q. You guys were somewhat a dynasty in our first year. Is this the start of perhaps a new run for the Aces?

DUSTIN JOHNSON: We'll have to see. But yeah, like I said, I feel like we have four really strong players, and especially if I can go back to playing like I should be, which, like I said, I think is very close, then yes, we are going to be a very hard team to beat every single week.
