TV Quick Quotes

Q. Picking up right where you left off?

BRYSON DeCHAMBEAU: I'm trying, man. I'm fighting hard and playing some good golf, and albeit it's a different test, but I played really well today and made some good putts.

Q. You're a big believer in this product and what it can do. Your own personal mission is to grow the game. Put it in your words what it was like out there today?

BRYSON DeCHAMBEAU: Yeah, just to everybody out there, this is what LIV was supposed to be and is and what it can be, not only here but in the States as well. I hope people can see the value in what we bring to the game of golf. It's pretty awesome to see what the full product of LIV is.

Q. One round; maybe a little early to ask you about the Sphere of Dominance, but is the game exactly where you want it?

BRYSON DeCHAMBEAU: I say one little thing and everybody takes it and runs with it. I'm playing really good. My driver just got a little quirky today. I still feel like I'm playing really good, swinging it well. Just going to go tighten it up a little bit. But yeah, for the most part I feel really comfortable with my game.
