TV Quick Quotes

Q. Just tell us a little bit about how you felt after your round today, playing in front of these crowds.

DAVID PUIG: Yeah, it was awesome to play with Charl and all the support he gets. It was a little weird, to be fair, because we both hit good shots, me and Harold, and sometimes we didn't get all the love that he got, so sometimes it just feels a little weird for us. But the crowds are amazing. They still support you. Obviously the Southern Guards are or were leading. I don't know what happened towards the end. But they're a great group of guys, and it's obviously the South African people, so it was awesome to be in front of them.

Q. How is your mindset coming into the last two days of competition?

DAVID PUIG: Pretty good. I've been in this position before. Never kind of got it done, but I've felt that I'm working on the right things, and I feel I'm ready. I'm pretty pumped, excited, and going to give it my best for the next two days.
