TV Quick Quotes

Q. Joined by wild card who had a great season last year and comes on to this year, Scott Vincent. Having LIV Golf here for the first time, what's the experience like for you?

SCOTT VINCENT: I think it's one of the best places we've played. Amazing that I got to be here this year, and this is incredible.

Q. You started bogey free in the opening round and today you went 3-under. Walk us through what made the test difficult today.

SCOTT VINCENT: I think a little more wind today, a little unpredictable, at times it felt like it should be doing something, and not quite. But it was out there. You've just got to play really well and hit shots and make putts.

I felt like I played pretty good, just one or two that got away from me. But overall not a bad place to be going into the weekend.

Q. You're no stranger to LIV Golf. Talk about this tournament specifically. Bryson DeChambeau spoke at length about the fan experience, saying it was quite loud. Have you found it the same way?

SCOTT VINCENT: It's been amazing. Every fairway people are cheering for me and yelling "Zimbo" for Zimbabwe. Loving it. The support is unreal. I wish I could have more events like this.

Q. Do you look forward to one of these days playing alongside your brother Kieran on the LIV circuit?

SCOTT VINCENT: Absolutely. We played two years ago together on the circuit, and hopefully we can get back out here together because it was a lot of fun, and he's talented enough to be out here, so hopefully it works out.

Q. What are you looking forward to the next two rounds to hopefully lift the trophy?

SCOTT VINCENT: Yeah, that would be unreal. Yeah, obviously there's a lot of work. There's a lot of amazing players. It's got to be pretty flawless from here on out. But for me, there's no pressure. This experience and the fans out here truly are what is more important to me, just enjoying this. I've got my whole family here and I'm just soaking it in, and if the golf works out, that's a bonus.
