### Quick Quotes

**Q. You played with a member of Southern Guards today; how was the energy on this course? Is the atmosphere helping your game? Does it make you focus more?**

ABRAHAM ANCER: It was unbelievable. It was extremely rowdy, but in a really positive way. I've never seen any other player interact with the crowd so much as Dean, and being able to play such great golf, which was really cool.

We all enjoyed it. We had a great group. We all played really good. I think we shot 7-under, 7-under, 6-under, which is really nice golf. I think we were feeding off each other, great vibes, and we were definitely into it. It was a great day out there.

**Q. Torque is in contention to win; what do you think it's going to take tomorrow?**

ABRAHAM ANCER: The scores are low. Hopefully the weather cooperates. I don't know what tomorrow is looking like. I know it wasn't very nice. But today wasn't looking nice and we got it in, so that was really good. We just need to stay focused, do the same thing, shoot low numbers, make some putts, and hopefully we'll be in a good spot.
