TV Quick Quotes

Q. Bryson, why so much emotion on this victory?

BRYSON DeCHAMBEAU: I wish I could tell you. A lot has happened in my last in the past week. I'm just so grateful for my team, the Crushers, everybody supporting me. It's so funny, golf is a fickle game, and you work so hard at it your whole entire life, and you realize that golf is just golf and there's a lot more to life than just golf.

I had some things happen in the off time during this week, and I was just praying all day, praying to give me the perseverance to move forward and keep looking forward.

I've just got to say I love everybody. Thank you for supporting. South Africa was unbelievable. I mean, got to be the best LIV event we've ever had. I've had you for eight straight days, plus two playoffs. I guess I need to bring you to the Masters or something.

Q. Not only emotional for you, emotional for your team. I saw you give them a wink when you made the par putt in regulation. You knew that meant victory. How special and how much does that mean to the group of guys and the collective love you share?

BRYSON DeCHAMBEAU: It's huge. It's huge for our momentum. I said earlier this week that we just needed a little bit of time and we'd start showing our true colors, and they went out and played stellar today, and I held it down.

But I'm super proud of the guys. I can't tell you how excited I am to have these guys a part of the team. I think that's nine team wins now. This is my fifth LIV individual win. I'm still pulling that dang driver. I've got to fix that.

Q. Last week you won, and it was a victory but not the way you wanted to win. This week you went out and won it. How much did you want this one in the playoff against the other titan of our league?

BRYSON DeCHAMBEAU: Had to be done. Jon, there was a very good chance I thought he was going to stiff it.

That 3-wood in there, I thought he was going to stiff it. I was fortunate enough to get a good lie. It was muddy, so I'm trying to aim over there, worst case scenario, and I just pulled it again and I knew I'd be okay and get somewhat of a lie. I got a great lie, I dropped it, and I got to place it, luckily, and then had a perfect lie and striped it to the middle of the green, and it fed right over to 12 feet, and I was not going to leave myself a three-footer on that one.
