Quick Quotes

**Q. Can you talk a little bit about your round today and embracing the difficult conditions out here and how you might have to adjust tomorrow?**

CAM SMITH: You know, it was good. It was a good day to just trust the swing and trust the thoughts and actually go out there and do something. I think it was a day where you had to commit 100 percent to everything, and I was able to do that most of the time. I'm pretty happy.

**Q. Can you talk about your greens in regulation? You're tied for best.**

CAM SMITH: That's a good thing. That's what I've been doing the work for, so that's good. These are tough greens to hit, too. With a start like that this week, it means you're doing something right.
