TV Quick Quotes

Q. I'm here with Legion XIII, who have successfully defended their title as team champions here. How does it feel, Jon, to get it done again in your home country?

JON RAHM: Feels really good. Obviously this type of golf course suits us. Ball striking is all of our strengths, and on a golf course like this one, it was exactly what was demanded of you. Clearly we did well.

Obviously I had a fantastic week myself, and very happy for Tyrrell to have just become a father just over two weeks ago and having his little girl and being a proud girl dad.

As good as he is, if someone is going to beat me, there's very few people I'll be happy for, and he's one of them. It was very well earned and happy that he on and help the team as well. As far as I'm concerned, couldn't ask for much more.

Q. Have you given any parenting advice to Tyrrell?

JON RAHM: No, I'm only there if he needs me. He's got plenty of people that are parents. It was pretty funny, he asked for advice on car seat the day he was leaving the hospital, which is something I thought he'd figured out by then.

But so far he hasn't, but I did tell him any time he can call me because I've been there. I've been there at midnight when you don't know what to do and you need somebody to call. He's got friends and family. I don't know if I'll be the first one on his list.

Q. You'll be on the list as captain of the team. How was it to be on the team with Jon Rahm -- with the winning team with Jon as your captain in Spain?

CALEB SURRATT: It's amazing. We won, and I did nothing this week.

Q. That's not true.

CALEB SURRATT: It is true. It is true.

He's a great role model, great guy to learn from, and certainly has set a great example of what an amazing player looks like in his home country. Hope to be like that one day.

Q. Four players on a team, and every single shot counts. I'm not having that. Tom, how was the week for you, and how does it feel to successfully defend and get the victory?

TOM MCKIBBIN: Pretty good. Overall a solid enough week. Jon and Tyrrell played amazing obviously. Yeah, especially Jon in his home country and all those fans rooting for him, and to come so close again was so cool. And to win back-to-back team events in Spain is really cool.

Q. Second win of the season for Legion XIII. Enjoy the celebrations.
